

PRIVACY POLICY

HOW DO YOU HANDLE MY DATA?

Landal GreenParks and the various restaurants at Landal parks use the Tablebooker reservation system for processing reservations online. You can find more information below about how we handle your data.

Landal GreenParks, Tablebooker cvba and the affiliated restaurants place the greatest importance on protecting your privacy and personal data. Your data is processed in accordance with the applicable legislation.

In order to book an available table in the Restaurant, we need to collect the following identity data: surname, first name, address, house number, postal code, town/city, telephone or mobile number and email address.

We use this personal data first and foremost to enable the web application to function and for processing your reservation. Your reservation is not valid without this data. We may also use your personal data to send you newsletters informing you about the operation of Tablebooker, new products or services in the Restaurants, important notices related to the web application or Restaurant and suchlike. Furthermore, your data may be used, for instance, to ask you for your opinion, and in connection with reviews. Personal data will not be stored for any longer than necessary.

Under the legislation, you have the right, among other things, to inspect your personal data and to partially or fully add to it or to improve it. To do this, please contact Tablebooker cvba using the contact details below.

When you visit the Restaurant website, in particular the booking page that belongs to Tablebooker cvba, certain data is collected for statistical purposes. This following data is collected: IP address (anonymised using 'Google Analytics IP Anonymizing'), probable location of consultation, time and day of consultation and the pages that were visited. When you visit the website of Tablebooker cvba, in particular the booking page that belongs to Tablebooker cvba, you give your approval to the collection of this data intended for statistical purposes as described above.

The following cookies are active:

Tablebooker

Required for the functioning of the website. This cookie stores things such as your chosen language, set location, log-in details, IP address, search data entered, reservations made and browser configuration.

Google Analytics

Google Analytics collects anonymous visitor statistics. For more information, visit <http://www.google.com/policies/privacy/>

Facebook

If you choose to log in using Facebook, then Facebook will also create several cookies. For more information, visit <https://www.facebook.com/help/115180708570932>
Session cookies are also used on this website, which fall beyond the scope of the express consent requirement of the ePrivacy guideline (technical cookies).

This privacy policy may be amended at any time. For this reason, we recommend that you regularly check the privacy policy.
